PETITIONING THE COURT

To modify the conditions of supervision by directing that Giordano make restitution payments of at least \$100 each month.

CAUSE

Previously, the Probation Office directed Giordano to pay \$400 per month toward satisfaction of his restitution obligation. In recent months he has been beset by health problems and is surviving on disability and other nominal earnings as well as a small amount of public subsistence. The Probation Office believes that he can reasonably be expected to pay \$100 per month toward satisfaction of his restitution obligation.
